**POINT(S) OF ORDER(S)—**

Shri Dhirendra Nath Dutta raised a \_\_\_\_\_ that the Bill should have been introduced in the C. A. (Legislature) and not in the C. A. P. as it deals with legislative work and has nothing to do with constitution-making. The Hon'ble President ruled that the Bill has already been introduced and that the proper time to raise the \_\_\_\_\_ will be when the next motion in regard to the Bill is moved. 43.

As the Hon'ble Pirzada Abdus Sattar Abdur Rahman was about to move his motion for the consideration of the Rawalpindi Conspiracy (Special Tribunal) Bill, Shri Dhirendra Nath Dutta raised a \_\_\_\_\_ that Rule 42 of the C. A. P. Rules of Procedure precludes the introduction of the Bill in C. A. P. as it does not deal with constitution-making while the Special Tribunal to be set up indicated a special procedure of trial which means an amendment of the Civil Procedure Code, 1898, the Evidence Act, 1872 and the Army Act, 1881. As such the Bill should be considered by the Federal Legislature. The Hon'ble Pirzada said that subsection (e) of section 8 of the Indian

Independence Act, confers powers on Constituent Assembly to legislate for Federal Legislature as well as other matters. Similarly section 6 of the Indian Independence Act, transfers the powers of legislation of British Parliament to Constituent Assembly. Further the amendment of the Army Act, 1881, can only be done by the Constituent Assembly and the Federal Legislature has no power to amend it. Mr. President was of the same opinion as the Hon'ble Pirzada and ruled that Shri Dhirendra Nath Dutta misread Rule 42 of the C. A. P. Rules of Procedure and that it does not debar the consideration of the Bill. The \_\_\_\_\_ was considered invalid and ruled out of order. 74—79.

**RULING(S) FROM THE CHAIR—**

Shri Dhirendra Nath Dutta raised a point of order that the Bill should have been introduced in the Constituent Assembly (Legislature) and not in the Constituent Assembly of Pakistan as it deals with legislative work and has nothing to do with constitution-making. The Hon'ble President ruled that

the Bill has already been introduced and that the proper time to raise the point of order will be when the next motion in regard to the Bill is moved. 43.
